***CALL TO WORSHIP**

L: Be very careful what you say and do, for others are listening and seeing you. Your words and behavior show them who you are and what you believe. Do not lead them astray!

P: It is a very heavy burden we carry, to always know that our words and actions are used by others to determine what we Christians believe and to set the example of who we are and what God would have us do. Too often we fail to be a good example, and our words and actions are not what God intends.

L: In all we say and do, we should think first of whether or not others will see Christ in us, or whether they will see only our own sinful natures.

P: O God, this day, and all days, be with us to guide our behavior and check our tongues, that we may speak and do as You would have us, that we might never lead others astray or pull them away from Your way.
