Psalm 22:25-31

***CALL TO WORSHIP**

- L: Beloved, let us love one another, because love is from God.
P: We do love many people, but some people are impossible for us to love. How can we love those who hurt us, or abuse others?
L: We are asked to love people. All people. We do not have to love the evil things people do; rather, we are to love the people themselves, as God loves all people. God is love, so those who do not love others do not know God.
P: This is hard for us! How can we love as God loves? We try, but too often fail to love those who torment and persecute us.
L: Seek help. God knows that by ourselves we are not capable of loving our enemies. Yet through God's help, we can come to see others as God does, as His beloved children. Show love, and teach others about God through your love for them, with God's help.
P: O God, help us to love as You love us, and remind us that You love those we find hard to love just as much as You love us. Indeed, remind us that we may be one of those that others find hard to love!
