L: Great is the Lord, and greatly to be praised! His greatness is too much for people to ever fully understand.		
P: We praise You, O God! All Your works attest to your greatness. Each time we think we found the last thing to be learned about this universe You have created, we find something else even more grand and mysterious to us!		
L: Nobody can fully understand the universe which God has created, for it is too vast and too complicated for us to grasp. However, we can offer our praise and worship to the great Creator God who made this world and each being living in it.		
P: Praise God, the Great Creator! We worship Him, only Him, for He is not only our Creator, but also our Heavenly Father!		
L: This is indeed the day which the Lord has made! Rejoice in it!		
P: We thank You, O God, for this beautiful world which You have created for our use. Give us the wisdom, the knowledge, and the desire to protect it, use it wisely, and share it freely with all the people and living beings which You created to populate it.
